

I am

Job  
searcher

I'm trying to

Get a job and trying to  
improve my  
communication and  
technical skills

But

But I can't  
develop skills

Because

I am struggling in  
problem solving and  
communication

Which makes me feel

If skills developing platform  
available at free cost or low  
cost then i can learn with that  
and definitely i will get a job
