Create an account

Customer starts with: Sign account

Conversation steps

1. I can help you with that. To create an account, we will need a few pieces of information. Let me guide you.
Continue to next step
2. First, please provide your first name.
Continue to next step
3. Then, please enter your last name.
Continue to next step
4. Awesome. It also needs an email address associated with your new account. We will need it.
Continue to next step

New step

Customer starts with:

Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has. The more phrases you enter, the better your assistant can recognize what the customer wants.

Enter phrases your customer might use to start this action. Total: 19

Enter a phrase

Where do I register for this?

Where do I find guidance on signing up?

Where does a first-time visitor sign up?

Where can I register?

What is the process to making an account?

What is required to get signed up here?

What do I have to do to start an associate with your company?
